The Easy Air Wedge is a fully tested and certified product made from durable materials and equipped with a bulb pump and release valve for quick and easy inflating and deflating. However, the product may be punctured by sharp objects such as screws and nails. Care should be taken when using the product at all times. The pressure in the bag will slowly decrease over a period of time.

The manufacturer cannot be held responsible for any damages caused by the Hedgehog Easy Air Wedge.

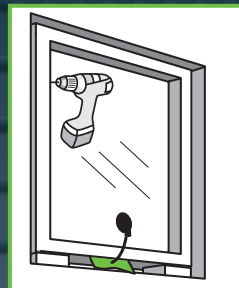

INSERT

Lift window or door unit into position. Insert **EASY AIR WEDGE** between window/door unit and wall.

ADJUST & LEVEL

To adjust the position of the unit simply inflate or deflate the **EASY AIR WEDGE** using the bulb pump and release valve until the required level is reached.

FIX

Fix the unit using the required fixings. Do not fully screw in until the **EASY AIR WEDGE** has been removed.
